Dear Club Representative

**Scottish FA U13 REGIONAL SQUAD 2010 – West Lothian Players**

Following on from my recent correspondence regarding recruiting players from West Lothian for the Regional U13 Trials, due to recent weather conditions and a lack of third-generation pitch availability, we have taken the decision to postpone the trial sessions before Christmas and invite players in for trials during the February school holidays.

The additional trial dates for the U13s will be;

U13s:	Wednesday 17 <sup>th</sup> February	(10am – 1pm)
	Thursday 18 <sup>th</sup> February	(10am – 1pm)

Please note all three sessions will take place at the Poltonhall Recreation Ground, Bonnyrigg (3G Astro). If we receive a large number of requests for trials it may be that players will be invited to attend a specific / or alternative date as opposed to those listed above. Players/parents will be contacted direct if this is the case.

If you have not already done so, can I please ask that you fill in the attached player form and send in to us no later than the 10<sup>th</sup> December. We will then contact parents and players to confirm the dates and times for the trials as well as communicating through the Scottish FA website ([www.scottishfa.co.uk/southeast](http://www.scottishfa.co.uk/southeast)).

In closing, should you have any questions relating to the programme please give me a call at any time.

Yours sincerely,

Mark Munro  
SFA Regional Manager (South East)
